A Rhyme for the Times!

And why have annexation,
Why not have something new,
With it we'll get vexation,
And taxes extra too!

Let us a grand example be,
A Republic true and great;
Let nations in Hawaii see,
No party strife or hate!

Let freedom be our battle cry,
Freedom in word and thought,
And in Providence the world defy,
The devil set at naught!

May statesmen of the future say,
And point to his fair lay:
"In honor their foundation land,
On truth they firmly stand!"

"They rested well on WOVEN WIRE,
For be it of them said:
If freedom was their hearts desire,
All slept on BAILEY'S BED!"

business-like,

to use a "Caligraph" type-

writer. Who will think you are wide awake and progressive if you stick to the way your grandfather wrote? Steel pens instead of quill pens; you're ahead there. Take another step. Use a Caligraph.

You can do more work on a Caligraph than with a pen. It's more comfortable to use a Caligraph than a pen.

The Caligraph

is better than any other type-writer, because it is simpler, lasts longer and does cleaner work than any other.

It's easier to learn than any other, too.

You can buy one on easy terms. It helps pay for itself while you're buying it. Let me sell you one.
